EMERGENCY CURFEW ORDER**

WHEREAS, on May 31, 2020, I issued an Emergency Curfew Order for all of Broward County effective each night for a period of up to seven (7) days, and on June 1, 2020, entered an Amended Emergency Curfew Order continuing that curfew, as determined necessary to protect the health, safety, and welfare of the people of Broward County based on certain instances of violence and property damage that stemmed from demonstrations that, for much of the day, were conducted peacefully;

WHEREAS, while Broward County has received information indicating that demonstrations may again occur within the County in certain localized areas, and the County will continuously monitor the conditions, the County has no current information to suggest that countywide demonstrations will result in new instances of violence and property damage;

WHEREAS, the County desires to end the current Countywide curfew, but remains ready to, after discussions with its municipal partners and the Broward County Sheriff, reinstitute a curfew covering any one or more geographical areas within the County to protect the health, safety, and welfare of the people of Broward County should demonstrations again turn violent; and

WHEREAS, Section 8-56(a)(1) of the Broward County Code of Ordinances, gives the County Administrator of Broward County authority to impose a general curfew applicable to Broward County while there is a Declaration of a Local State of Emergency in effect,
